EXPLANATORY STATEMENT UNDER SECTION 102 (1) OF THE COMPANIES ACT, 2013

Item No. 3:

The Chairman informed the Board that as per Section 180(1)(c) of the Companies Act, 2013, the Board of Directors shall not borrow money in excess of the Company's paid-up share capital and free reserves, apart from temporary loans obtained from the Company's Bankers, etc. in the ordinary course of business, except with the approval of the Company accorded by a Special Resolution.

The Company borrows funds from the Banks and Financial Institutions for its business and considering the growth of the business, the Board is of the opinion that the Company may require to borrow additional funds for both organic and inorganic growth. In view of the requirements of the increased borrowings requirement in future and to comply with the requirements of section 180(1)(c) or other applicable provisions of the Companies Act, 2013, the members of the Company shall pass a Special Resolution as set out at item No. 4 of the Notice, to enable the Board of Directors to borrow in excess of the aggregate of the paid-up share capital and free reserves of the Company. Approval of the members is being sought to borrow the money up to Rs. 100 Crores (Rupees Hundred Crores Only) in excess of the aggregate of the paid-up share capital and free reserves of the Company, apart from temporary loans obtained from the Company's Bankers, etc. in the ordinary course of business.

It is, therefore, necessary for the members to pass a Special Resolution under Section 180 (1)(c) and other applicable provisions of the Companies Act, 2013, as set out at item no. 3 of this Notice.

Item No. 4:

The Chairman informed the Board that as per Section 186 of the Act read with the Rules framed thereunder, the Company is required to obtain the prior approval of the Members by way of a Special Resolution for giving loan to any person or body corporate or giving guarantee or providing security in connection with a loan to any other person or body corporate or Invest / acquire the securities of any body corporate by way of subscription / purchase or otherwise in excess of 60% of its paid-up share capital, free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is higher.

As on date the aggregate amount of the investments in shares / debentures, loans and guarantee(s) / security(ies) made, given, or provided by the Company to other bodies corporate are within the limits provided in Section 186 of the Companies Act, 2013. However, looking to the future business requirements, the Board feels prudent and desirable to have ad-hoc limit up to which Board can give loan to any person or body corporate or give guarantee or provide security in connection with a loan to any other person or body corporate or invest / acquire the securities of anybody corporate by way of subscription / purchase or otherwise without further approval of Shareholders.

Therefore, the approval of the Members is being sought by way of a Special Resolution under Section 186 of the Act read with the Rules made thereunder, to give loan to any person or body corporate or give guarantee or provide security in connection with a loan to any other person or body corporate or invest / acquire the securities of any body corporate

by way of subscription / purchase or otherwise, in excess of 60% of its paid-up share capital, free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is more.

Item No. 5:

The Chairman informed the Board that as per Section 180(1)(a) of the Companies Act, 2013, the Board of Directors shall not sell, lease or otherwise dispose of the whole or substantially whole of the undertaking of the Company. In view of the resolution relating to borrowing powers stated in item no. 5, the Company may have to create further charges / mortgages in favour of the lenders. Since the invocation of security / mortgage by the lender may be regarded as a disposal of the undertaking by the Company in favour of the Institutions / Banks, it is necessary for the members to pass a special resolution under Section 180(1)(a) of the Companies Act, 2013 before creation of the said charges / mortgages.

It is, therefore, necessary for the members to pass a Special Resolution under Section 180 (1)(a) and other applicable provisions of the Companies Act, 2013, as set out at item no. 5 of this Notice to enable to the Board of Directors to borrow money and create charges / mortgages to secure the borrowings as mentioned in item no. 3 of this Notice.

23. STATEMENT ON ANNUAL EVALUATION MADE BY THE BOARD OF DIRECTORS:

The Board evaluated the effectiveness of its functioning, that of the Committees and of individual Directors, pursuant to the provisions of the Act and SEBI Listing Regulations. The Board sought the feedback of Directors on various parameters including:

- Degree of fulfillment of key responsibilities towards stakeholders (by way of monitoring corporate governance practices, participation in the long-term strategic planning, etc.);
- Structure, composition, and role clarity of the Board and Committees;
- Extent of co-ordination and cohesiveness between the Board and its Committees;
- Effectiveness of the deliberations and process management;
- Board / Committee culture and dynamics; and
- Quality of relationship between Board Members and the Management.

The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017.

The Chairman of the Board had one-on-one meetings with each Independent Director and the Chairman of NRC had one-on-one meetings with each Executive and Non-Executive, Non-Independent Directors. These meetings were intended to obtain Directors' inputs on effectiveness of the Board/ Committee processes.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, the Board as a whole, and the Chairman of the Company was evaluated, taking into account the views of Executive Directors and Non-Executive Directors.

The Nomination and Remuneration Committee reviewed the performance of the individual directors and the Board as a whole.

In the Board meeting that followed the meeting of the independent directors and the meeting of Nomination and Remuneration Committee, the performance of the Board, its committees, and individual directors was discussed.

The evaluation process endorsed the Board Members' confidence in the ethical standards of the Company, the resilience of the Board and the Management in navigating the Company during challenging times, cohesiveness amongst the Board Members, constructive relationship between the Board and the Management, and the openness of the Management in sharing strategic information to enable Board Members to discharge their responsibilities and fiduciary duties.

The Board carried out an annual performance evaluation of its own performance and that of its committees and individual directors as per the formal mechanism for such evaluation adopted by the Board. The performance evaluation of all the Directors was carried out by the Nomination and Remuneration Committee.

The performance evaluation of the Chairman, the Non-Independent Directors and the Board as a whole was carried out by the Independent Directors. The exercise of performance evaluation was carried out through a structured evaluation process covering various aspects of the Board functioning such as composition of the Board & committees, experience & competencies, performance of specific duties & obligations, contribution at the meetings and otherwise, independent judgment, governance issues etc.

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Board has carried out the annual performance evaluation of the Directors individually as well as evaluation of the working of the Board by way of individual feedback from directors.

The evaluation frameworks were the following key areas:

a) For Non-Executive & Independent Directors:

- Knowledge
- Professional Conduct
- Comply Secretarial Standard issued by ICSI Duties
- Role and functions

b) For Executive Directors:

- Performance as leader
- Evaluating Business Opportunity and analysis of Risk Reward Scenarios
- Key set investment goal
- Professional conduct and integrity
- Sharing of information with Board.
- Adherence applicable government law

The Directors expressed their satisfaction with the evaluation process.

Management Discussion and Analysis Report

A. Indian Economic Overview:

According to NASSCOM Insights, the COVID-19 crisis has amplified the existing challenges faced by traditional banking business models. Factors such as revenue pressure, low profitability due to low-interest rates and high capital levels, stricter regulations following the previous financial crisis, and increasing competition from shadow banks and new digital entrants have become more pronounced.

The pandemic has accelerated the adoption of digital ecosystems, with more individuals incorporating electronic payment systems into their daily lives. Traditional financial services are undergoing a transformation through digitalization. Consequently, banks are facing greater pressure to become “digital-first” businesses and compete with established service providers.

By the end of 2023, many banks are expected to transition into pure technology businesses, leveraging their extensive customer bases and distribution networks to offer digital solutions. This transformation highlights the importance of partnering with the right company to successfully execute digital strategies.

B. Outlook:

Software product sector has evolved substantially over the past few years. Growing at >10% CAGR from 2019-22 to reach \$13.3 Bn the growth has been propelled by cloud shift and global market penetration. Software product industry has outperformed the overall industry growth in FY2022E and has grown by 18.7% compared to the tech industry which has grown by 16.3% in the same period.

Software as a service (SaaS), Enterprise Digitization, and SMBs are the key enablers for this growth with SaaS global market share alone growing by 2X - indicating strong acceptance of Indian products globally. If we talk about horizontals, customer relationship management, and enterprise resource planning continues to dominate software product business accounting for ~50% of the revenue, new emerging horizontals like DevOps, Dev Tools, content/data, management, etc also getting traction. Software products see high acceptance in verticals like BFSI and Hi-Tech accounting for ~65% of the revenue, other verticals generating revenue are manufacturing, retail, telecom etc.

C. Industry structure and development:

India's software products sales are likely to hit \$30 billion mark by 2025, as domestic companies expand their footprints globally and many new players get into the products space, according to a report by industry body Nasscom and market research company Unearth Insight.

India's software product unique value proposition has helped the growth of the sectors substantially. India software product companies managed to tweak their products to adjust to the market needs. They customize prices and offer different pricing models to its

customer. The solution developed by these companies is cloud-ready which makes them scalable and easy to deploy. Another uniqueness they have is the majority of products offered by Indian firms is easily extensible through native integration and open APIs. Another important value proposition is easy implementation where all maintenance activities can be done over the air (OTA) via the cloud.

Positive outlook for the industry with SaaS product expected to dominate with \$30-40 Bn revenue potential of B2B SaaS players by 2030, Deep tech penetration in software product expected to reach 40-60%, verticalization to become more prominent with >50% products to be vertically focused by 2030. Emerging areas like low code no code, APIs etc. will further amplify the software product ecosystem growth.

D. Opportunities and Threats:

The increasing adoption of digital banking and lending solutions presents significant opportunities for Fintech companies like Datasoft Application Software (India) Limited. As more consumers and banks shift towards digital platforms, there is a growing demand for innovative and user-friendly software solutions that were previously unavailable. Nucleus Software is well-positioned to capitalize on this trend by providing advanced software platforms that support digital banking and lending services while ensuring the highest levels of security and compliance. Additionally, emerging technologies such as artificial intelligence and machine learning offer opportunities to enhance credit risk assessments and improve the efficiency and accuracy of financial services.

Another potential threat is the risk of cybersecurity breaches. With more financial transactions taking place online, Fintech companies need to invest in robust security measures to protect customer data and maintain their trust. We recognizes the importance of cybersecurity and is committed to implementing stringent security protocols to safeguard sensitive information.

Moreover, the Fintech industry is subject to regulatory scrutiny as it disrupts the traditional financial sector. Navigating complex regulatory frameworks and complying with evolving regulations require ongoing efforts and resources. Our Company is dedicated to ensuring compliance with regulations and proactively adapting to regulatory changes to operate within legal boundaries.

Additionally, Fintech companies could face challenges in an economic downturn, as consumers and businesses become more cautious with their spending. This may lead to a decrease in demand for financial services. To mitigate this threat, Company will focus on enhancing its product offerings, exploring new markets, and strengthening customer relationships to weather potential economic challenges.

E. Segment-wise or product-wise performance:

The Company is operating in only one segment i.e. Software Products. Therefore, there is no requirement of Segment wise reporting.

F. Risks and concerns:

Changes in the buyer behavior cause disruptions in the market and can impact the Company. Preference for a Subscription/cloudbased purchases is gaining prominence while buying decisions are shifting from enterprise to granular purchase. Customer engagement is also shifting from traditional in-person engagement to virtual multi-point engagement. Such disruptive changes impact the industry dynamics, could provide room for emergence of new competition. The Company faces competition from traditional as well as new vendors across the globe. Legal risk is the risk of loss to the Company primarily caused by a claim being made, or some other event occurring, which results in a liability for the Company or failing to take appropriate measures to protect assets owned by the Company.

G. Internal control systems and their adequacy:

Internal control systems are a set of, processes and procedures put in place to help achieve the strategic objectives of an organization. Good controls encourage operational efficiency and compliance with laws and regulations, as well as minimizing the chance of errors, theft and fraud. At the same time internal controls also enhance the reliability and accuracy of accounting data.

The Company has an Internal Control System commensurate with the size, scale and complexity of its operations. This has been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance of corporate policies.

H. Discussion on financial performance with respect to operational performance:

The financial performance of the Company for the Financial Year 2022-23 is described in the report of Board of Directors' of the Company.

I. Material developments in Human Resources / Industrial Relations front including number of people employed:

The cordial employer - employee relationship also continued during the year under the review. The Company has continued to give special attention to human resources.

INDEPENDENT AUDITOR'S REPORT

TO MEMBERS OF DATASOFT APPLICATION SOFTWARE (INDIA) LIMITED

Report on the Indian Accounting Standards (Ind AS) Financial Statements

Opinion

We have audited the accompanying financial statements of **Datasoft Application Software (India) Limited**, which comprise the Balance Sheet as at **31st March, 2023**, and the Statement of Profit and Loss (Including Other Comprehensive Income) and Cash Flow Statement and the statement of Changes in Equity for the period ended, and a summary of significant accounting policies and other explanatory information. (Hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "**Annexure A**", a statement on the matter specified in the paragraph 3 and 4 of the Order.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **DATASOFT APPLICATION SOFTWARE (INDIA) LIMITED** ('the Company') as of 31st March, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Opinion

We have audited the internal financial control with reference to financial statement of **DATASOFT APPLICATION SOFTWARE (INDIA) LIMITED** (“The Company”) as of 31st March 2023 in conjunction with our audit of the financial statement of the company at and for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note: - 1 Significant accounting policies:

1.0 Corporate Information

DATASOFT APPLICATION SOFTWARE (INDIA) LIMITED is a Limited Company, incorporated under the provisions of Companies Act, 1956 and having CIN: L31100TN1992PLC156105. The Company is mainly engaged in the business of developing & providing Software consultancy services. The Registered office of the Company is situated at Plot No.OZ-13, Sipcot Hi-Tech SEZ, Oragadam, Sriperumbudur Kancheepuram TN 602105 IN.

1.1 Basis of preparation of financial statements

a. Accounting Convention: -

These financial statements of the Company have been prepared in accordance with Generally Accepted Accounting Principles in India ("Indian GAAP"). Indian GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with the Rule 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the Historical Cost Convention and the Companies (Accounting Standards) Amendment Rules 2016 and the relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Part I of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b. Functional and Presentation Currency

The functional and presentation currency of the company is Indian rupees. This financial statement is presented in Indian rupees. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

All amounts disclosed in the financial statements and notes are rounded off to thousands the nearest INR rupee in compliance with Schedule III of the Act, unless otherwise stated.

c. Compliance with Ind AS

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015.

Datasoft Application Software (India) Limited

Year ended on 31st March 2023

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

d. Use of Estimates and Judgments

The preparation of the Ind AS financial statements in conformity with the generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the Balance Sheet date, reported amount of revenue and expenses for the year and disclosure of contingent liabilities and contingent assets as of the date of Balance Sheet. The estimates and assumptions used in these Ind AS financial statements are based on management's evaluation of the relevant facts and circumstances as of the date of the Ind AS financial statements. The actual amounts may differ from the estimates used in the preparation of the Ind AS financial statements and the difference between actual results and the estimates are recognized in the period in which the results are known/materialize.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in future periods affected.

Particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial Statement are as below:

1. Evaluation of recoverability of deferred tax assets/Liabilities ;
2. Useful lives of property, plant and equipment and intangible assets;
3. Provisions and Contingencies;
4. Provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions;
5. Recognition of Deferred Tax Assets/Liabilities
6. Valuation of Financial Instruments;

e. Current and Non - Current Classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

An asset / liability is treated as current when it is:-

- i. Expected to be realised or intended to be sold or consumed or settled in normal operating cycle.
- ii. Held primarily for the purpose of trading.
- iii. Expected to be realised / settled within twelve months after the reporting period,
or.

Datasoft Application Software (India) Limited

Year ended on 31st March 2023

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- v. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other assets and liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

1.2 ACCOUNTING POLICIES:

(A) Property, Plant and Equipment

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Cost includes purchase price, non-recoverable taxes and duties, labour cost and direct overheads for self-constructed assets and other direct costs incurred up to the date the asset is ready for its intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is provided on the Straight Line Value (SLM) over the estimated useful lives of the assets considering the nature, estimated usage, operating conditions, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. The Company provides pro-rata depreciation from the day the asset is put to use and for any asset sold, till the date of sale.

Projects under commissioning and other Capital work-in-progress are carried at cost comprising of direct and indirect costs, related incidental expenses and attributable interest. Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

An item of property, plant and equipment is derecognized on disposal. Any gain or loss arising from recognition of an item of property, plant and equipment is included in profit or loss.

Datasoft Application Software (India) Limited

Year ended on 31st March 2023

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(B) Intangible Assets

Intangible assets are stated at cost of acquisition net of recoverable taxes, accumulated amortization, and impairment losses, if any. Such costs include purchase price, borrowing cost, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and cost can be measured reliably.

The amortization period for intangible assets with finite useful lives is reviewed at each year-end. Changes in expected useful lives are treated as changes in accounting estimates.

Internally generated intangible asset Research costs are charged to the statement of Profit and Loss in the year in which they are incurred.

The cost of an internally generated intangible asset is the sum of directly attributable expenditure incurred from the date when the intangible asset first meets the recognition criteria to the completion of its development.

Product development expenditure is measured at cost less accumulated amortisation and impairment, if any. Amortisation is not recorded on product in progress until development is complete.

Gains or losses arising from derecognition of an Intangible Asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

(C) Impairment of assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(D) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM).

The Company has identified its Managing Director as CODM who is responsible for allocating resources and assessing performance of the operating segments and makes strategic decisions.

The Company is operating in single business segments. Hence, reporting requirement of Segment reporting is not arise.

(E) Statement of Cashflow

Cash Flows of the Group are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a noncash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing Cash Flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(F) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and highly liquid investments with an original maturity of up to three month that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(G) Foreign Currency Transactions

i) Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

ii) Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on restatement of all other monetary items are recognised in the Statement of Profit and Loss.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Any subsequent events occurring after the Balance Sheet date up to the date of the approval of the financial statement of the Company by the board of directors on 29th May, 2023 have been considered, disclosed and adjusted, if changes or event are material in nature wherever applicable, as per the requirement of Ind AS .

(H) Income Taxes

The tax expense for the period comprises of current tax and deferred income tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the Other Comprehensive Income or in Equity. In which case, the tax is also recognized in Other Comprehensive Income or Equity.

I. Current tax: -

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

II. Deferred tax:-

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements.

Deferred tax asset is recognized to the extent that it is probable that taxable profit will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

(I) Provisions and Contingencies

Provisions:

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are discounted to its present value as appropriate.

Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an

outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

(J) Revenue recognition

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognized when (or as) the Company satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

The Company applies the five-step approach for recognition of revenue:

- i. Identification of contract(s) with customers;
- ii. Identification of the separate performance obligations in the contract;
- iii. Determination of transaction price;
- iv. Allocation of transaction price to the separate performance obligations; and
- v. Recognition of revenue when (or as) each performance obligation is satisfied.

(K) Other income:

Interest: Interest income is calculated on effective interest rate, but recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend: Dividend income is recognised when the right to receive dividend is established.

(L) Finance Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. based on borrowings incurred specifically for financing the asset or the weighted average rate of all other borrowings, if no specific borrowings have been incurred for the asset.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(M) Earnings per share (EPS):

Basic EPS is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted EPS, the net profit or loss for the period attributable to equity shareholders and the weighted average number of additional equity shares that would have been outstanding are considered assuming the conversion of all dilutive potential equity shares. Earnings considered in ascertaining the EPS is the net profit for the period and any attributable tax thereto for the period.

(N) Employee benefits

i. Provident Fund

Retirement benefit in the form of Provident Fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognises contribution payable to the provident fund scheme as an expense when an employee renders the related service.

ii. Gratuity

The Management has decided that gratuity will be accounted in profit & loss A/c in each financial year when the claim is recognized by the company which is against the prescribed treatment of AS -15. The Quantum of provision required to be made for the said retirements benefits can be decided on actuarial basis and the said information could not be gathered. To the extent of such amount, the reserve would be lesser.

(O) Fair Value Measurement:

The Company measures financial instruments such as investments in quoted share, certain other investments etc. at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(P) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets:

Initial recognition

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables and other specific assets are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the Statement of Profit and Loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- i. The entity's business model for managing the financial assets and
- ii. The contractual cash flow characteristics of the financial asset.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial Liabilities:

Initial Recognition and Subsequent Measurement

All financial liabilities are recognised initially at fair value and in case of borrowings and payables, net of directly attributable cost. Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Changes in the amortised value of liability are recorded as finance cost.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.
